## Community Outreach

Part of the Emerge's mission is to make the arts accessible to the entire community. For every five paid programs, one is completely free and targeted towards at-risk or underprivileged youth. We do this through art programs geared towards those affected by cancer in the hospital, artist in residency programs, and our Youth Arts Initiative program, which includes scholarships and our Youth Public Arts Project.

**Youth Public Arts Project** is our longest running outreach program. This is a bi-weekly program where at-risk youth come to the arts council to work with professional artists and social work interns to create various public art projects. The public art is then displayed throughout the community.

**Art is Good Medicine** is an Arts in Healthcare program in partnership with local healthcare providers such as Vidant Health. Professional visual artists and dancers work with adult and pediatric cancer patients and survivors. In addition, we offer free workshops to cancer patients, survivors, family members, and caregivers.

**Scholarships** are offered to underprivileged children in our community to attend classes and workshops free of charge.

### THE FIRING CIRCLE

Membership to THE FIRING CIRCLE is open to all current and previously enrolled students taking classes through our pottery program. If you have not taken a pottery class through Emerge, you must first enroll in the Clay Studio Orientation Class prior to joining THE FIRING CIRCLE. Members of the Firing Circle are paying only for the use of the kiln facilities. They are not eligible for use of the pottery facility including wheels, tables, equipment, etc. This is simply a club for those individuals who wish to create and work on their artwork off site, but need kiln usage. (Those wishing to use the Emerge Facility and supplies should enroll in Mudhole.) Clay and glazes are not included. Clay may be purchased at class rates. Clay not purchased at Emerge is not permitted. Dues run on a 6-month basis. Members pay for firing by drying room shelf load.

Membership Rates: \$25 for members, \$65 for non-members

Firing Rates: \$10 per drying room shelf

### MUDHOLE

Membership to MUDHOLE is open to all current and previously enrolled students taking classes through our pottery program. Dues run on a 3-month or a 6-month basis. Membership entitles you to use our facilities any time during our open hours, whether you are currently enrolled in a class or not, the ability to purchase clay at class rates, use of glazes, and your work will be fired through our facility.

Eligibility: You must have taken at least 2 pottery classes at Emerge Gallery & Art Center. Your instructor must sign off on our Mudhole Waiver stating that you can wedge, center, trim and glaze successfully without supervision. If you are unable to do so, we will recommend you take another class prior to working alone and enrolling in Mudhole. \*If you have pottery experience, but have not taken a class through our facility you must first enroll in the Clay Orientation Class prior to enrolling.

## Art Classes, Lessons

### Ceramics & Pottery

#### Open Ceramics Studio

An amazing benefit of being enrolled in one of our pottery classes is that you can come in and work in the studio anytime during our open hours to gain extra practice! While camps and classes occupy the main studio during the summer, we have a satellite room that potters can work in.

#### Topics in Ceramics: May I be of service?

*Tuesdays 6:00pm-8:30pm*

Having friends over for dinner is fun; serving your friends dinner in pottery made by you is priceless. If you have ever considered making your own dinnerware, then this class is for you. Class exercises are designed to improve technical skills, increase throwing efficiency, and incorporate unifying features in a family of pots. This session is chock-full of tips on how to make multiples and provides lots of throwing instruction. Projects can be scaled to each potter's skill level and include: soup/cereal bowls, salad/dinner plates, and tumblers/mugs. We will be working in series; and, at the conclusion of the session, diligent potters will have one or more place settings. Potters should be able to center and pull 1-lb of clay.

[Min. 6, Max. 8]

Instructor: Rae Brown

Supply Fee: \$20 per bag of clay - covers glazes & firing as well.

Ages 18 and up or by special permission for senior project.

#### Summer 2018: Session 1: June 12 - July 24 (6 classes)

Cost: \$85 for emerge members, \$125 for emerge non-members

*\*\*Skipping the week of July 2 - July 6.*

**REG CODE: ACT-65**

#### Topics in Ceramics: Heels or Flats?

*Tuesdays 6:00pm-8:30pm*

Just as every girl knows that no outfit is complete without the right shoe, every potter knows how a proper foot completes a pot. In this session, we will explore the various options for the bottoms of pots. Discussions will include the technical and aesthetic concerns for making pots with and without feet. We will also consider other alternatives to trimming a foot because footless doesn't mean unfinished. This class is for you if you want to learn how to make good glaze lines, ensure your pot is stable, and make your pots more distinctive with just the right foot. Topics include: Footless pots; Trimmed feet; Altered feet; Added Feet. Potters should be able to center and pull 1-lb of clay.

[Min. 6, Max. 8]

Instructor: Rae Brown

Supply Fee: \$20 per bag of clay - covers glazes & firing as well.

Ages 18 and up or by special permission for senior project.

#### Summer 2018: Session 2: July 31 - September 4 (6 classes)

Advanced skills such as increasing scale, pulling spouts, and attaching handles will be addressed to challenge potters who have more wheel experience.
