

# SPRING BREAK *art camp*

MARCH 14-18, 2022

## READY. SET. *Create!*

AGES 3-5

### MINI MASTERS

The Young Artist Mini Masters Program here at Emerge caters to children ages 3 to 5. This is a drop off camp program. Camp activities introduce young children to all areas of art, including pottery, painting, drawing, and more! We ask that all children enrolling in the program camps be potty trained.

GRADES K-5

### EMERGING ARTISTS

The Youth Emerging Artist Program at Emerge offers children ages 5 to 10 the opportunity to experience the world of art through fun, interactive programs including activities such as painting, potter's wheel, printmaking, photography, and much more!

GRADES 6 AND UP

### ADVANCED YOUTH

The Youth Advanced Art Program at Emerge is a great opportunity for "twens" and teenagers to expand their knowledge and expertise in various areas of fine art. We pride ourselves on high quality, hands-on activities not capable in most schools such as metal design, potter's wheel techniques, alternative photography, painting with advanced methods and materials, and more.

Please note: When possible children are separated in classes by age. Typical breakdowns for spring break art camp are as follows: (Pre-K to K), (1st to 3rd), (4th to 5th), (6th & up). Please be aware that we require a minimum number of children per class. On days of low enrollment children may be grouped into classes differently, or in the same class, however, they will always be separated into groups by age.
