## About Emerge

The Emerge Gallery & Art Center is the local arts council for Pitt County. The Emerge Gallery & Art Center is located in a facility with over 8000 square feet, at 404 Evans Street in Downtown Greenville. There are three main gallery spaces, including two that rotate monthly with new exhibitions.

Emerge has a full art center including a pottery facility with thirteen potter's wheels, a metalsmithing studio, photography classroom, and two general classrooms. Emerge offers weekly adult and youth classes, workshops, and special events, as well as a full youth summer program.

Part of the Emerge Gallery & Art Center's mission is to make the arts accessible to the entire community. For every five paid programs, one is completely free and targeted towards youth. We do this through after school music and art programs in the Pitt County Public Schools, artist in residency programs, and our Youth Arts Initiative program that includes scholarships and our Youth Public Arts Project.

## Mini Masters (Age 3 to Grade K)

The Mini Masters Program at Emerge caters to children age 3 to grade K and is a drop off camp program. Camp activities introduce young children to all areas of art, including pottery, painting, drawing, and more! We ask that all children enrolling in the program camps be potty trained.

## Emerging Artists (Grade 1 to 5)

The Emerging Artists' Program at Emerge offers youth the opportunity to experience the world of art through fun, interactive programs including activities such as painting, potter's wheel, printmaking, photography, and much more! Please note, campers are separated into appropriate classes when possible.

## Advanced Youth (Grade 6 and Up)

The Advanced Youth Program at Emerge is a great opportunity for "tweens" and teenagers to expand their knowledge and expertise in various areas of fine art. We pride ourselves on high-quality, hands-on activities not offered in most schools such as metal design, potter's wheel techniques, alternative photography, painting with advanced methods and materials, film editing, and more. Youth Camps are opportunities for youth to immerse themselves in the art area of their choice. Participants will work on in-depth art projects in the set area.

## Volunteers (Age 15 and Up)

We seek ambitious and dedicated youth and adults, ages 15 and older, to assist with our youth educational programs. Volunteers will help Emerge Staff with a variety of tasks, as well as serving as assistants to Emerge Instructors. Participants will receive an official letter documenting hours and service with our organization.
