Guidelines

• Vendors spaces are 10ft x 10ft for artists, non-profits, and community organizations. This outdoor festival takes place on a street which prohibits anchoring any supports into the ground. Please, plan to have the appropriate weights for your display, in the event of wind.

• Set up must be professional in appearance. Please, note this is a family friendly event. We do not allow adult "toys", pasties, or anything deemed "inappropriate" for a family friendly event.

• Space is extremely limited, due to location of this year's Festival.

• All vendors must be LGBTQ+ owned/operated or affirming.

• Vendor locations are determined by the Greenville-Pitt County Pride Festival Committee. Vendors must remain in place until the end of the festival.

• Beverages and food products cannot be sold or given away from the vendor's space, unless approved by the Pride committee.

• Artists vendor guidelines: All artwork and crafts sold at the festival must be original handiwork of the participants or organizational representation. Exhibited work must be in the categories for which the artist was screened and accepted into the festival.

• Non-profit or service organization guidelines: Fundraising activities cannot be the primary focus of your booth. Vendors are welcome to distribute information regarding their organization at assigned vendors booth only. Resale of commercial items are prohibited.

Rainout Procedure

Greenville-Pitt County Pride Festival is a rain or shine event! In the event of inclement weather, the Greenville-Pitt County Pride Festival Committee will consider the hazards and needs of festival participants before making any decision associated with canceling or suspending the festival. In such cases, festival officials will keep participants up to date with notifications and decisions in a timely manner. Should a vendor decide to pack up or leave prior to when the end of the festival has been declared, that vendor may jeopardize future participation in the Greenville-Pitt County Pride Festival.
